PROPOSITION 65 DECLARATION

1. **California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65)**
   California Proposition 65 requires clear and reasonable warnings on products that can cause exposure to the chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Some substances on the OEHHA managed list have established safe harbor levels, but not all. Therefore, this declaration is made without consideration of safe harbor levels, stating only if a substance on the Prop 65 list is contained or not contained.

   Exposure risk assessment can involve multiple factors. **This declaration is not an exposure risk assessment or a statement about the presence or absence of exposure risk.** Instead, this is an informational declaration about the presence of Proposition 65 listed substances in the parts or products listed below. This information is intended to help the recipient assess any potential need for Proposition 65 warnings or similar measures.

2. **Substance List Version**
   Enter the YYYY/MM/DD of the substance list version that this declaration applies to

Substance List Version	2026-07-31
Total Number of Entries	879

3. **Scope of declaration**
   This declaration applies to the following (select one):
   ☒ All Products sold or otherwise placed on the market by **Reell Precision Manufacturing Corporation**
   ☐ Specific product(s) listed in the table below

   This declaration remains valid unless material changes to the product(s) occur, of which customers will be notified, or until declaration is updated in response to changes in applicable regulation(s) and materials.
